

Seminars on Drug Sciences (SDS)

Wednesdays 17:15 - 18:15

Lecture Hall 1, Pharmazentrum, Klingelbergstrasse 50, 4056 Basel

- Feb 28, 24** **Prof. Dr. Oya Tagit, Head of the Group Biointerfaces, School of Life Sciences FHNW, Institute for Chemistry and Bioanalytics, Muttenz, Switzerland**
"Immunomodulating Nanomedicines for Cancer Immunotherapy: from Bench to the Bedside"
Host: Prof. J. Huwlyer
- Mar 06, 24** **Dr. Raziye Karapinar, Francis Crick Institute, London, UK**
"Shining Light on the Serotonergic System: Advancing Understanding Through Optogenetic Innovation"
Host: Prof. L. Simmler
- Mar 13, 24** **Prof. Dr. Jesse J. Swen, Dept. Clinical Pharmacy & Toxicology, Leiden University Medical Center, Leiden, The Netherlands**
"In search of pharmacoperfection"
Host: Dr. C. Stäuble / Prof. S. Allemann
- Mar 20, 24** **Novartis**
"To be announced"
Host: Prof. D. Ricklin
- Mar 27, 24** **Dr. Gerhard Müller, SpiroChem AG, Basel, Switzerland**
"The Kinase-Phosphatase Mystery: Medicinal Chemistry under the Lamppost?"
Host: Prof. em. B. Ernst
- Apr 03, 24** **Prof. Jürg Gertsch, Pharmazeutical Biology, University of Bern, Bern, Switzerland**
"Optimal chemical probes for drug discovery: A pharmacological perspective"
Host: Prof. V. Schröder, University of Bern

A streaming option (Zoom) will be offered for external viewers who do not require the credit points.
The Zoom link for the lecture will be provided on ADAM or by Manuela Rogalski
(Note to manuela.rogalski@unibas.ch until Wednesdays 11:30 am)

There will be no seminar on:

Seminars on Drug Sciences (SDS)

Wednesdays 17:15 - 18:15

Lecture Hall 1, Pharmazentrum, Klingelbergstrasse 50, 4056 Basel

- Apr 10, 24** **Prof. Rademacher, Universität Wien**
"To be announced"
Host: Prof. em. B. Ernst
- Apr 17, 24** **Dr. David Ausländer, Biologics Research Center, Novartis**
"TBD"
Host: PhD Association and PhD Program for Pharmaceutical Sciences
- Apr 24, 24** To be announced
" "
Host:
- May 15, 24** To be announced
" "
Host:
- May 22, 24** **Dr. Rein Verbeke, Dept. of Pharmaceutical Sciences, Ghent University Belgium**
"Clinical translation of an mRNA cancer vaccine adjuvanted with alpha-galactosylceramide"
Host: Prof. P. Luciani / University of Bern
- May 29, 24** To be announced
" "
